

Foreign Worker GAP Cover Group Personal Accident Insurance

We provide a cost effective solution for your business

- QBE's Foreign Worker GAP Cover provides an option for the Employer to insure non-work-related accidents while the employed Foreign Worker is in Malaysia.
- When the Foreign Worker Compensation Scheme (FWCS) was changed to Social Security Organization (SOCSO) program, some of the covers in FWCS were no longer provided.

Examples:

No cover for non-work-related accidents

No cover during commute to and from work, if there is any interruption or deviation from the route to and from the work site

No cover for repatriation or funeral benefits (unless it is due to occupational diseases or work related accidents)
